Have you been previously certified by Langston DHI Lab to be a Supervisor?

Yes            No

If yes, your assigned 3-digit Tester Number is \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Telephone: \_\_\_\_\_

Email: \_\_\_\_\_

Who do you test for (if available)? \_\_\_\_\_

1. On the Supervisor Barn Sheet, in the column that has sample #, I should put:
  - A. The order they are milked
  - B. The index #
  - C. Any # I want
  - D. Nothing
  
2. The number I put on the invoice for the Service Affiliate Fee is:
  - A. The # of does sold
  - B. The # of does on barn sheet
  - C. The # of does currently being milked
  - D. The # of bucks that are currently being milked

3. If my doe is not milking as normal due to bad weather, showing, etc..., I should:
  - A. Make sure she is okay
  - B. Put the letter A in the CAR code
  - C. Keep her in the barn
  - D. All of the above
  
4. When my doe has been bred, I need to put what two things on the barn sheet:
  - A. Her last dry date and fresh date
  - B. Her index # and dry date
  - C. Her sire's name or registration # and date bred
  - D. None of the above
  
5. I do not need a pill in the vial because:
  - A. The sample will not spoil in transit to lab
  - B. The pill is no good anyway
  - C. The vial will keep the sample good
  - D. None of the above
  
6. A transfer doe is:
  - A. A doeling from the kid herd who freshened
  - B. A doe from another herd on test that is entering your herd
  - C. Both A & B.
  - D. A doe coming into your herd who has not been on test before
  
7. When a sample is spoiled or spilled, the year to date pounds of fat on the Monthly Report for that doe will:
  - A. Increase
  - B. Decrease
  - C. Remain the same
  - D. Be zero

8. How many times should a tester dump the milk from the ladle before drawing a sample:
- A. 1
  - B. 2
  - C. 3
  - D. 4
9. When writing the milk weight on the barn sheet, it should be weighted in:
- A. Ounces
  - B. Pounds
  - C. 10ths
  - D. 100ths
10. What should you write on the lid of the sample vial:
- A. Doe's name
  - B. Registration number
  - C. DHI number
  - D. Index number of the doe
11. What two things must you enter for a doe in your herd:
- A. Freshen date and dry date
  - B. Birthdate and dry date
  - C. Freshen date and birthdate
  - D. Registration number and index number
12. The best method of obtaining a milk sample is:
- A. Milk directly into the vial
  - B. Pour the milk from a bucket into the vial
  - C. Stir the milk with a ladle and then collect sample
  - D. Pour milk in jar and shake vigorously
13. I do not have to put the date of when I dry or freshen my doe.  
True\_\_\_\_\_ False\_\_\_\_\_

14. The vials do not have to be put in the box upside down.

True \_\_\_\_\_ False \_\_\_\_\_

15. Milk samples must be refrigerated before shipping:

- A. So they don't spoil
- B. Because they will be cool and not spoil easily
- C. So, the butter fat will be on top
- D. None of the above

16. If the pill falls out of the vial, I should:

- A. Pick it up and put it back in the vial
- B. Wash it off and put it back in the vial
- C. Throw it in the trash and get a new vial
- D. None of the above

17. Doe pages are automatically sent to Herd Owners when does dry off or leave the herd:

True \_\_\_\_\_ False \_\_\_\_\_

18. A Verification Test consists of how many milkings:

- A. 1
- B. 2
- C. 3
- D. 4

19. In order for my tests to be valid, my scale has to be checked for calibration:

- A. Every 6 months
- B. Every year
- C. Every 18 months
- D. Every 2 years

20. When I find a mistake, I should:

- A. Wait until the end of the year
- B. Wait until another test to see if the problem was corrected
- C. Call as soon as you see a problem
- D. Make a note of the error and highlight it

P.S.

- If you have any questions or need assistance in completing this test, please call at 405-346-6387 or email via [dhilangston@yahoo.com](mailto:dhilangston@yahoo.com)
- Please post-mail (or scan and email) the completed test to us at DHI Lab for Goats, 100 Success Ave., P.O. Box 1730, Langston University, Langston, OK 73050
